Head Teacher Message

Dear parents and Carers,

As always the start of the year has been extremely busy. This week the pupils in Year 4 presented a beautiful Rosh Hashanah assembly tell us all about the Jewish celebration for new year. A special thank you to all of the families who joined us for Genes for Jeans day we have been able to raise £135 for the charity.

This year as a school we would like to focus on improving our mental health and well-being. As a school we already do many things to support well-being in school which includes having a school counsellor for both children and staff, to running nurture groups for small groups of children. As a school we are passionate about providing a caring, nurturing environment where all children continue to thrive. To launch our mental health project we will be celebrating World Mental health day on the 10th October by wearing yellow. Please join to raise money for the charity Young Minds.
