

Friday 14th February 2025

Head Teacher Message

Dear parents and Carers,

The half term is fast approaching, we hope that you have a restful and peaceful break.

When children return we will be celebrating world book day on the 6th March 2025. The theme for world book day is '**When the crayons quit**' by **Oliver Jeffers**. It would be great for children to have costumes that relate directly to the theme.

To keep it simple children can come to school dressed head to toe in their favourite colour. We will have a range of activities on the day to celebrate World book day.

By working together to celebrate **World Book Day**, we can help share the joy of reading and books with more children and their families.

Top tips to help children read more:

- ✚ Read with your child regularly
- ✚ Have books at home as well as school
- ✚ Make reading enjoyable
- ✚ Give children a choice of what they can read.

Science Week

British Science week is the 7th-16th march 2025 and the theme is 'Change and adapt'. The theme offers a huge range of topics to delve into as part of British science week. During the week there will be a number of fun and exciting activities for Mayville children to participate in.

Please look out for the information letter notifying you of the events during Science week.

Ramadan

When we return it will be the start of Ramadan. We look forward to observing this special month with all of our Muslim families. Please be reminded that only children in Year 5 and 6 are permitted to fast. Parents must sign the permission form and hand it in at the school office.

- Children in Year 5 and 6 who are fasting will be supervised in classrooms.
- We will call you if your child becomes too weak or feels unwell, before they are given something to eat.

We wish all of our Muslim families Ramadan Mubarak.

Ms Sharon Parson (Head teacher)

Enjoy the half term
