

At Mayville we bring out the champion in all of us'

Monday 19th October 2026

Head Teacher Message

Dear Parents and Carers,

We are delighted to share some of the wonderful developments and activities taking place across our school community. At Mayville Academy, we continue to celebrate the achievements of our pupils, recognise the contributions of others, and encourage kindness, respect and a strong sense of community.

Welcoming Tom Percival Class

We are pleased to announce the opening of Tom Percival Class, our new SRP (Specialist Resource Provision) for children with SEMH (Social, emotional and mental health needs). This is an exciting development for Mayville Academy as we continue to strengthen the support we provide to meet the individual needs of pupils within the borough.

The opening of this provision reflects our commitment to creating an inclusive, nurturing environment where every child is supported to learn, develop and reach their full potential. We look forward to seeing Tom Percival Class flourish as an important part of our school community.

Celebrating Black History Month

As part of our Black History Month celebrations, we explored the theme of honouring those who have made significant contributions to the wider community.

This provided an opportunity for our pupils to learn about and celebrate the achievements, experiences and legacies of Black UK individuals who have helped shape society and make a positive difference to the lives of others. Through these activities, we encouraged pupils to recognise the importance of diversity, equality, representation and respect.

At Mayville Academy, we believe that learning about the contributions of others helps our pupils develop a greater understanding of the world around them and inspires them to make positive contributions to their own communities.

Harvest Festival – Sharing Kindness and Giving Back

Our Harvest Festival collection has been a wonderful opportunity to bring our school community together in the spirit of generosity, compassion and giving.

We are grateful to all the families who contributed food items to support this initiative. The donated food will be given to our trustee, Reverend Polly's food bank, helping to support individuals and families within the wider community who may be experiencing difficult times.

This collection reminds us of the importance of looking out for one another and demonstrates how even small acts of kindness can make a meaningful difference. Thank you to everyone who supported the collection and helped us put our school value of 'kindness' into action.

Parents Consultation Evening-Children finish half day (Reminder)

Parent consultation has returned to a half day model so that teachers can meet with families earlier in the afternoon, allowing more time for high quality, meaningful conversations about each child's progress. Finishing at 1:30pm ensures staff can offer calm, unhurried appointments while maintaining a safe and well supervised environment for all pupils. This approach also supports parents by providing a wider range of appointment times and a smoother, more organised consultation experience.

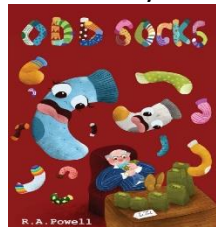

Thank You, Mayville Community!

As always, we would like to thank our pupils, parents and carers, staff, trustees and wider community for their continued support. Your contributions help make Mayville Academy a welcoming, inclusive and caring place where everyone has the opportunity to thrive.

Warm regards,

Sharon Parson (Headteacher)
