

## Waltham Forest Coronavirus (COVID-19) Update

Waltham Forest have announced the introduction of a **Covid-19 walk-in test site**, located at **Stanley Road car park**.

Residents who are experiencing coronavirus symptoms can book an appointment to get tested at this site.

This is in addition to the existing drive in test centre in **Leyton** and **postal testing**. You can book a test by calling 119 or [visit the government website to book](#).

Whilst waiting for your test results, you must self-isolate with your household. Please walk or cycle to the walk in test centre and wear a face covering during your journey.

By getting tested when you feel unwell, you're helping to protect your loved ones and the wider Waltham Forest community.
