Do you need support with remote learning?

Dear Parents and Carers,

Firstly, we would like to thank you with your continued support with remote learning. We are aware that there have been some challenges accessing Google Classroom and would like to invite you to a Virtual Workshop on Monday 18th January at 4:00pm.

This will be an opportunity for you to ask any questions that you may have, as well as guiding you through how to log on, access Google Meets, upload work and view marking and comments made by the class teacher.

If you would like to attend simply click on the link below. You will be emailed instructions and meeting codes closer to the time.

If you are unable to attend this meeting, please email or call the school office and we will be happy to offer alternative support

Yours faithfully,

Ms N Quince
