

	Autumn	Spring	Summer
EYFS	Food: heating and melting Structures: Diwali lamps (fine motor)	Mechanism: Junk model vehicle and Space rocket (scissor and sticking skills)	Structure: Making mini beast hotels, refining fine motor skills using wood work bench.
Year 1	Food: Fruits and vegetables	Mechanism system: Making a moving storybook	Textile: Puppets Structures: Constructing windmills
Year 2	Food: A balanced diet Mechanism: Moving monsters	Textile: Pouches Structure: Baby bears chair	Mechanism: Fairground wheel
Year 3	Structures: Constructing a castle	Food: Eating seasonally	Textile: Cushions Mechanism system: pneumatic toys
Year 4	Structures: Pavilion Food: Adapting food recipe	Textile: Fastening	Mechanism system: Making a slingshot car Electrical systems: Torches
Year 5	Food: What could be healthier? Mechanism system: Greeting cards	Electrical systems: Electronic greeting cards	Structures: bridges Textile: Stuffed toy
Year 6	Structures: Playgrounds	Digital world: Navigating the world	Electrical systems: Steady hand games Food: Come Dine with Me

Design and Technology Long Term Overview

“Tell me and I’ll forget. Show me and I may remember, involve me and I learn”

Benjamin Franklin
