Mayville Primary School, Lincoln Street, London E11 4PZ

22 | 10 | 2021

Headteacher's Message

Dear Parents and Carers,

We reached the end of the first half term and I am so proud of the way our Mayville children have focused and engaged in lessons. The children are definitely a credit to the school – their behaviour overall is impeccable, and most importantly, the children always seem happy and eager to come into school.

This term, the children participated in a range of activities such as black history month, and the displays around the school are testament to the hard work of both our teachers and students. I think that we all need a well-deserved rest and look forward to our children coming back to school ready to begin the next part of the term on Monday, 1 November.

Eco Council

I would like to welcome our new Eco Committee, the committee is made up of children from all year groups in school. They have already met and are busy finding ways to ensure that we are an eco friendly school and that we understand important ecological issues, such as global warming.

Waltham Forest has also organised a week-long climate summit from the 8th November for all schools in the borough. They are hosting a number of events in school and online for children to participate. During the week, our children will take part in many of the events and we hope this opens up many discussions on climate change at home.

WhatsApp

A while ago, a survey was conducted regarding how we could better communicate with you. We are now introducing a WhatsApp messaging service, to be used alongside emailing and parent mail text messages so to improve communication. We hope that this will help to keep parents updated and abreast of recent developments. To receive messages from the school's WhatsApp, then please download the app, and include the Mayville WhatsApp number, which is **07542 849 560**. Please note that this is a **do-not-reply** WhatsApp and parents will still be required to follow existing reporting methods for issues such as lateness, sickness, absences and the booking of breakfast and afterschool clubs.

PTA (Parent Teacher Association)

In the past, Mayville had a vibrant and active PTA. After half term, I would like to begin the process of getting the PTA up and running again. I have had a few parents approach me about this and would love to see if we have anymore parents who might be interested in joining the PTA. The PTA plays such an important role in the school and their fund-raising events can support the school to buy much needed resources for the children. If you might be interested, then please let our Receptionist, Ms Jory, know and we will sign you up. Also, please look out for information and dates regarding the first PTA meeting.

Trainee teachers

We would like to welcome trainee teachers from University of East London and Roehampton University this term. We hope that their time with us will be positive and wish them success in their first placement.

School trips

You will be thrilled to know that after half term, we will resume having school trips. Trips are such an important part of the curriculum and can really help to bring work covered in class to life. We are excited to give our children a range of exciting experiences, but we will need your support to do so. If you are able to volunteer for a trip, then please let the class teachers know once the trip letters go out.

Drop off and collection after half term

I would like to apologise for the errors made in the previous newsletter in regards to drop off and collection times of children in the mornings and afternoon. Just to be clear, we have attached the details again below, and if you have any queries, then please let the office know.

After school club

As mentioned in the previous newsletter, we will have a range of afterschool clubs starting after half term. Please see the attached information. The places for these clubs will be limited, so if you are interested, then you must let the office know as soon as possible.

Saturday school

After half term, we will begin Saturday school for year 5 and year 6. If you have been given a Saturday school letter, then your child's attendance will be expected. I know that as parents you understand the importance of teachers trying to close the gaps in learning from students missing so much learning during the pandemic. We have been given funding to have our Saturday school, so there will be no extra cost to you. I do hope you take up the offer and ensure that your child receive the additional support they need.

And finally

As always, we would like to take this opportunity to thank you for supporting the school and our lovely children. We are lucky to work in such a supportive school community. We wish you a restful half-term and look forward to seeing you on Monday, 1st November for the beginning of the second half of the autumn term.

Have a lovely half-term break.

Ms Parson
Headteacher

FREE SCHOOL MEALS

Free School Meal e-code vouchers have been sent out this week for October 2021 half-term. An e-code voucher has been sent to your email (the email will come from **EDENRED**, not the school), please follow the instructions in the email on how to redeem your voucher. If you have any queries or need your code resending please email school@mayville.waltham.sch.uk.

NON-UNIFORM DAY

Thank you to everyone who participated in non-uniform day on 8 October 2021. We raised £90.30 and all proceeds will be going to Women's Aid.

SHOE BOX APPEAL

Mayville Primary will be taking part in the Samaritan's Purse Operation Christmas child. Children are invited to fill shoeboxes with gifts for children in need and the shoeboxes will be gathered from Monday, 1 November up to Monday, 15 November. Suggested gifts are detailed below and further information can also be found at [Operation Christmas Child \(samaritans-purse.org.uk\)](http://OperationChristmasChild.org.uk).

Roald Dahl class has had a wonderful first term in Year 3!

We have been reading "The Bear and the Piano" in literacy and produced engaging letters, postcards and diary entries around that book. We have used our most growly voices to take on the persona of the bear and interviewed him in our own talk show!

YEAR 3

We have entered into year 3 with lots of ambitions and hopes for the future. We have reflected on these to make goals and targets which are on display in the year 3/4 corridor.

In art, the children have been making self-portraits to celebrate our own uniqueness. Every child could use symmetry to create some accurate and reflective designs!

As a part of Space Week, Roald Dahl class have been exploring space suits and inspiring people who have taken the adventure into the stars. We, at Mayville, value developing aspirations, it has been wonderful to see so many children aspiring to venture into science! We even insulated bottles of frozen water to explore which material would work best for insulating space suits!

YEAR 3/4

This year the year 3 and 4 children have the opportunity to learn how to play the guitar in music. They have been learning the names of the strings and been making their own rhythms to play along to.

20 October 2021

Dear Parents/Carers

This term classes in Nursery, Reception, Year 1 and Year 2 will be discussing the NSPCC's Underwear Rule in our Personal, Social, Health and Economic (PSHE) lessons.

During these discussions, we will aim to teach our pupils the following important safety skills without giving explicit information or telling scary stories. We will be teaching our pupils the NSPCC's Underwear Rule, using the 'PANTS' acrostic, which is like a green cross code for staying safe from sexual abuse. PANTS stand for:

- Privates are private
- Always remember your body belongs to you
- No means no
- Talk about secrets that upset you
- Speak up, someone can help.

The lessons will introduce a range of ideas, all delivered in a way that is fully age-appropriate.

These include:

- "appropriate" and "inappropriate" touching
- your child's right to say no to things that make them feel upset or uncomfortable
- naming parts of the body
- who your child can turn to if they ever feel upset or worried.

If you would like to know more about the NSPCC's campaign and see how you can help keep your children safe in partnership with your child's school, more information can be found at [Talk PANTS & Join Pantosaurus - The Underwear Rule | NSPCC](#).

If you have any questions or concerns, please do not hesitate to get in touch.

Yours sincerely

Ms S Parson
Headteacher

The following information is from [National Online Safety](#)

What is Squid Game?

Netflix's Squid Game is set to become the streaming service's most successful show of all time, with huge numbers of viewers taking to social media to discuss each new episode. The South Korean thriller features some scenes of fairly brutal violence and is **rated 15** by the BBFC. It follows a group of adults who compete to win innocent-looking playground games, but who are killed if they do not succeed at the tasks.

An unexpected success in terms of viewing figures, Squid Game's popularity is beginning to spread across various online platforms. There has been a slew of content created – ranging from memes to apps – that convey the violence of the show, so it is important for parents, carers and educators to understand the basis of Squid Game and the potential risks to young people who might be exposed to it.

What are the hazards for children?

Squid Game's 15 rating has not prevented clips and images from the show being uploaded onto social media sites such as [TikTok](#), with the #SquidGame hashtag being viewed more than 22.8 billion times. There have been reports of children who have accounts on these platforms inadvertently viewing gory, explicit scenes from the programme, and parents and carers should be mindful of the prevalence of these uploads.

The popularity of the programme has also led to [online challenges](#) based on various scenes, which see people taking part in seemingly innocent children's games. On the show, however, characters are executed if they fail in the game – and videos of people pretending to kill each other after competing in Squid Game-style contests are going viral on social media, where they are easily accessible to children.

What is the Squid Game Challenge app?

Squid Game Challenge (also known as K-Game Challenge) is an app for smartphones and tablets that has been released for Android and iOS, and the two systems differ significantly on their [age ratings](#) for the game. The iTunes Store rates the app as 12+ (advising of "mild/infrequent horror/fear themes"), while the PEGI rating for Android is just 3+, which means that very young children might be able to download and play the game even with parental controls activated on their device or through Google Play.

The gameplay is frequently interrupted by pop-ups and ads (sometimes appearing while the user is rapidly tapping their screen while attempting to complete the challenge). This could easily lead to unwanted purchases or accidental visits to inappropriate sites beyond the app.

What can trusted adults do?

As a parent or carer, keep a watchful eye on the content that your children are viewing. [Speak to them openly](#) and chat about how they have been spending time on their devices; let them ask questions, too. Ensure that the [parental controls](#) are activated [on your child's device](#) and that age-restricted child profiles are properly set up any on-demand services available through the family TV (such as [Netflix](#), in this case) to prevent inappropriate content being streamed.

If you see your child replicating the challenges from the show or hear them talking about scenes and characters from Squid Game, it would be a timely opportunity to discuss with them that the programme is not intended for children, that much of the content would be inappropriate for their age, and that the violence in the series is very realistic and often upsetting.

Netflix

NETFLIX

Netflix offers a massive variety of TV shows and movies. Users can stream old favourites or watch brand new original content.

If this is your streaming platform of choice, check out our step by step instructions for setting up parental controls below.

Follow these instructions to set maturity levels on separate profiles:

18

- From your web browser, go to your **Account** profile.
- Select **Profile & Parental Controls** for the profile you want to manage.
- Select **Viewing Restriction** and change the setting.
- Enter your Netflix password.
- Set the maturity level for the TV shows and movies you want to allow in that profile.
- Don't forget to hit **Save**.

Learn how to create a profile for younger children:

- Go to **Manage Profile**.
- Select **Add Profile**.
- Make sure to name your profile & select **Kids** to use the 'Kids Experience'.
- Select **Continue**.

Add a PIN code to a viewing account by following these instructions

- From your web browser, go to your **Account** profile.
- Select **Profile & Parental Controls** for the profile you want to lock.
- Change the **Profile Lock** setting.
- Enter your Netflix password.
- Select the option **Require a PIN**.
- Enter your four digit PIN code to create your profile lock.
- Select **Submit**.

Turn off Auto-Play on your Netflix Account

- From your web browser, go to your **Account** profile.
- Select **Profile & Parental Controls** for the profile you want to manage.
- Select the **Playback Settings**.
- Make sure you deselect **Autoplay next episode in a series on all devices**.

SHOEBOX APPEAL

Silicon wristband - **Suggested** Donation: £1.00

Snap band - **Suggested** Donation: £1.50

Please Support The Royal British Legion Poppy Appeal

FLU VACCINE

Flu vaccine is offered free to:

Children aged
2 or 3 years old
(on 31 August of
current flu season)

All primary
school-aged
children

All year 7 to year
11 secondary
school-aged
young people

Children with a
health condition
that puts them
at greater risk
from flu

Why are so many young people being offered the vaccine?

The vaccine will help protect you against flu and reduces the chance of you spreading flu to others so in turn helps protect your family and friends.

It will help to reduce flu levels in the population in the winter when there may be pressure on the NHS if COVID-19 is still in circulation.

Flu vaccination is important because:

- more people are likely to get flu this winter as fewer people will have built up natural immunity to it during the COVID-19 pandemic
- if you get flu and COVID-19 at the same time, research shows you're more likely to be seriously ill
- getting vaccinated against flu and COVID-19 will provide protection for you and those around you for both these serious illnesses
- If you've had COVID-19, it's safe to have the flu vaccine. It will still be effective at helping to prevent flu.

In order for your child's vaccination session to run smoothly please consider the following;

- The consent form has been completed with all the information and contact details correctly filled out. Previous medical history and vaccination history can be found in the Red book or with your GP.
- If your child is having the injection and not the nasal spray please get them to wear a short sleeved top.
- Ensure your child has had a good breakfast and they bring water with them to school as it's important to keep hydrated after vaccinations.
- If your child has asthma or any severe allergies ensure they have their inhaler and epi-pen at school on the day.
- Your child should be given a patient information leaflet at the end of the session. If your child loses this you can access an online version, it contains the ingredients of the vaccine as well as common side effects.

Stay at home and self-isolate.

Please see [detailed guidance online](#).

In this household, Mike lives with Georgio, Maria and Seyi. Mike is the first case of COVID-19 in this household and is required to self-isolate. This illustration provides examples of when other household members would, or would not need to self-isolate.

Self-isolate for 10 full days.

You need to self-isolate from the day the first person in your household started symptoms and for the next 10 full days. If they did not have symptoms, self-isolate from the day of their test and for the next 10 full days.

To self-isolate means:

Do not go to work, school, or public areas and do not use public transport or taxis. Only leave your home to get to your test if you need to, observe strict social distancing advice and return immediately afterwards.

See

[detailed guidance online](#)
for contacts that
are not required to
self-isolate.

2021-22 ACADEMIC YEAR

Parents' Open Day
School Closes at 1.30 pm

11th November 2021

30th June 2022

AUTUMN TERM 2021
