## Headteacher's Message

Dear Parents and Carers

It was great to see so many parents book a place for parents' evening. It was an ideal time for parents to hear about their children's progress and share any concerns. If you missed parents' evening, then please let the office know and they will arrange an appointment with the teacher.

So many of our families have signed up for both the after school clubs and Saturday school, and most clubs are now fully booked. The new Karate teacher was impressed with our children's behaviour and their level of attention. We hope that next term we will be able to offer a few more places in our Saturday school and after school clubs, especially for those children who had missed out this term. A letter will also be issued in the spring term regarding this.

### Christmas Activities

Christmas is fast approaching and just like many of the major festivals that we celebrate in school, we have planned a few activities. For our Nursery and Reception families, we have an outdoor nativity, and for the rest of the school, there will be a Christmas choral concert. In addition, Year 2 through to Year 6 will be attending the Christmas pantomime. Please be reminded that places for the Pantomime are limited, so if you have not booked a place then please do so as soon as possible.

### School PE Kits

This is a gentle reminder that children must wear the correct PE kit on PE day. They are required to wear a plain white t-shirt (no logos), black or blue leggings or tracksuit bottoms, plimsolls or black trainers. If your child does not have the correct PE kit, then we will call you to bring a change of clothes.

### IEPs

At least once a term, teachers will have a telephone or face-to-face conversation with specific parents whose child has been identified as maybe having an academic or behaviour concern. The teacher will discuss the IEP (Individual Education Plan) targets with the parent to ensure that what class teachers are doing is followed up at home. These meetings are vital to ensuring that children are receiving the right support and are making progress.

### PTA

The response for parents to sign up for PTA (Parent Teacher Association) has not been as good as we had anticipated. If you have any time to support your child's school, then this is a great way to show support and make a difference in the education and welfare of our children. We have forms in the office that you can complete and I look forward to working with you all.

Ms Parson

## RIGHT OF THE WEEK

Article 28 (right to education). Every child has the right to an education. Primary education must be free and different forms of secondary education must be available to every child. Discipline in schools must respect children's dignity and their rights. Richer countries must help poorer countries achieve this.

## WORD OF THE WEEK

Learning

## DICK WHITTINGTON PANTO

The deadline for payments and reply slips for the pantomime has now passed. Parents are reminded that reservations cannot be secured for your child if payment and response slips have not been submitted.

## CHRISTMAS JUMPER DAY AND CHRISTMAS LUNCH

Christmas Jumper Day and Christmas lunch will be held on Thursday, 9 December, and the menu will be sent in due course.

## HARRISON BEAR'S FESTIVE ADVENTURE

This will start on Thursday, 2 December, and each day the canteen will produce a desert according to the bear's adventure, which will end on Thursday, 9 December. Children in all year groups will be given a bear colouring card to complete, and the winner will receive a Harrison Bear on Thursday 16 December. Posters will also be put up around the school showing the Bear's route.

## MAYVILLE WHATSAPP

The school now has a WhatsApp messaging service to keep parents informed of upcoming activities. Parents are asked to download WhatsApp onto their mobile phones and input our phone number **07542 849560** in order to receive messages from the school. Please note however that this is a no reply service and parents are still expected to contact the school office for enquiries and to report lateness and absences.

## MESSAGE FROM THE WALTHAM FOREST SCHOOL IMMUNISATION TEAM

Tel : 0208 017 4291

Email: [walthamforest@v-uk.co.uk](mailto:walthamforest@v-uk.co.uk)

All children from the age of reception (aged 4) up to year 11 are being offered the nasal flu vaccine. If your child missed the opportunity to have the flu immunisation at school, then please attend our clinic at the following location on 2<sup>nd</sup>, 9<sup>th</sup> or 16<sup>th</sup> December from 3:30pm to 6pm.

Leytonstone United Free Church

55 Wallwood Road

London E11 1AY

For those refusing the flu spray due to the porcine gelatine content in the spray, we are also offering the flu injection, (which does not include porcine gelatine).

We have been having a fantastic time in year 2.

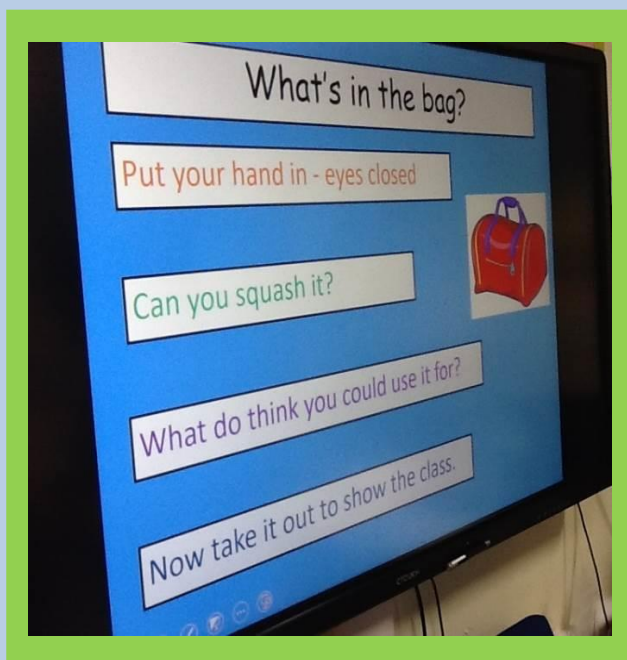

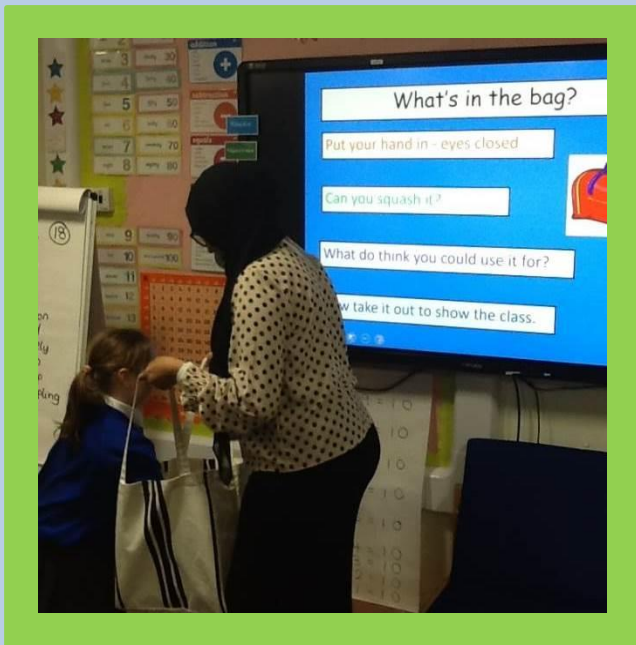

In our maths lessons, we have been learning and practising to skip count in 2s, 3s, 5s and 10, forwards and backwards from any number. The children have been fantastic and really enjoyed their maths lessons!

Below, we have some clever frogs jumping and counting in steps of 5.

In celebration of outdoor classroom day, we enjoyed our science lesson outside! To begin our lesson, year 2 played a game of 'What's in the bag'. The aim of the game was to guess the object in the bag. The children had to close their eyes, put their hand into the bag and describe the material they could feel.

We then ventured OUTSIDE! We had a great time identifying many materials in our own playground. The children were able to find equipment that was made of wood, metal, brick, rubber and plastic.

We are half way through the second part of Autumn term. The children have settled greatly and they are all starting to show their potential. Below will showcase all the amazing work they have been doing over the last few weeks.

After understanding all about place value during last half term, year 1 have moved on to learning the number bonds up to ten and using that knowledge when working on the part-whole model. We have also started to add and subtract single digit numbers from one another.

17 - 11 = 21

10 - 10 = 0 (10 - 10 = 0 + 10 = 10)

17 + 1 = 18

There were 8 birds in a tree and 8 flew away. Complete the sentences and part-whole model.

At first there were 8 birds. Then 8 flew away. Now there are 0 birds in the tree.

At first there were 6 frogs on a lily pad and 2 jumped off. Complete the sentences.

At first there were 6 frogs. Then 2 jumped off. Now there are 4 frogs on the lily pad.

Complete the sentences and part-whole model.

At first there were 10 apples. Then 7 were eaten. Now there are 3 apples.

During RE, the children have been learning all about the religion of Christianity including lessons on Christian values; Christians' place of worship; particular items and artefacts that are important to Christians; and identifying different parts of a church.

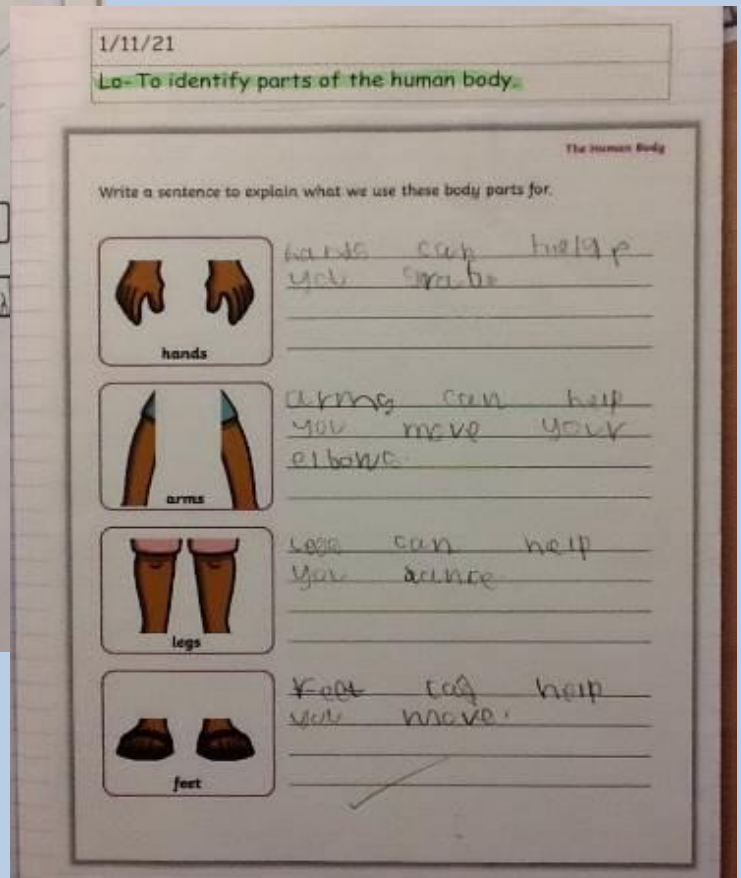

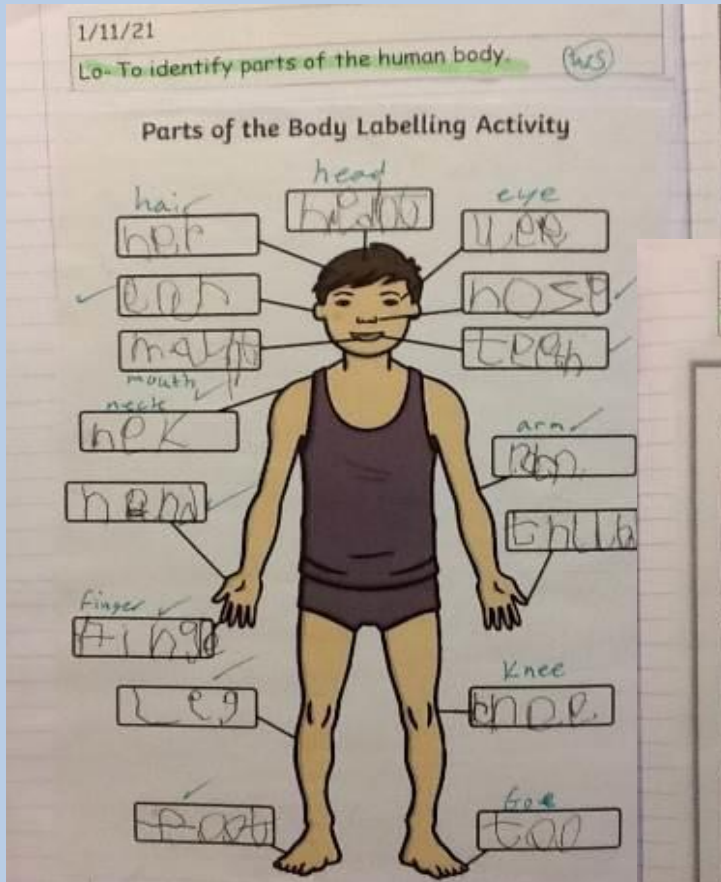

# YEAR 1

So far this term in science, year 1 children have been looking at the human body, using our senses and investigating different types of materials. We were able to identify the main human body parts, experimenting with our senses to find out what we could hear, see, smell, touch, and taste in our surroundings, as well as identifying different materials around us.

# YEAR 1

In literacy, we have been reading different story books, including The Three Little Pigs, Little Red Riding Hood and We're Going On A Bear Hunt. We have re-enacted them and used adjectives to describe both setting and characters. In conjunction with creating chocolate fruit, (more on that later), we worked on instructional writing by creating a recipe.

**We're Going on a Bear Hunt.**

Fill in the missing words:

Bear	Over	Forest	Thick	Cold	ears
Under	Big nose	Wavy	Beautiful	gloomy	eyes

We're going on a bear hunt.

We're going to catch a big one.

What a beautiful day!

We're not scared.

Uh-uh! Grass!

Long wavy grass.

We can't go over it.

We can't go under it.

Oh no!

We've got to go through it!

# YEAR 1

This half term for topic, we have been learning about Guy Fawkes, the Gunpowder Plot and the festive nature of 5<sup>th</sup> November. We found the reason why Guy Fawkes and his assailants wanted to assassinate King James and how their plans were eventually foiled. We also created some amazing artwork and made a variant of sticky toffee apples using other fruits and chocolate as a substitute.
