## Headteacher's Message

Dear Parents and Carers,

As we approach the end of term, I would like to thank you for your continued support over the course of this term.

The term has definitely been jam packed, with a range of events, which have been successful because of your support and participation. A massive thank you to all of our Nursery and Reception parents who attended our Nativity this week; it was lovely to have parents back in school attending events again. We look forward to more of these events as the year goes on.

### IEPs (Individual Education Plans)

I am sure that by now many of you have received phone calls from teachers regarding your child's IEP and I thank you for engaging with this process. The IEPs will ensure that your child is supported effectively and that you are able to replicate this support at home. The IEPs will be reviewed termly and teachers will update you on changes to your child's targets.

### Last week of term

We have a number of events coming up next week. The pantomime workshop for Nursery, Reception and Year 1 (The Greediest Elf); and also, trips to the pantomime for Year 2 to Year 6. Christmas parties will also be taking place on Wednesday and Thursday, and children will be able to wear party clothes and bring in party food as long as they are individually wrapped.

### After school clubs and Interventions

This is the last week of after school clubs and interventions. I know many of our children did not get their first club choice last term, but next term we aim to prioritise children who did not get an opportunity to join a club. However, interventions will remain a priority and that means children who are in interventions can only choose clubs that are not on their intervention days.

### Covid guidance

As we enter the new term, we hope that the guidance remains the same and that we do not have to return to tougher Covid measures. However, if we see numbers of cases rising, then we know that enforcing restrictions maybe the only measure to ensure we stay safe. We will ensure that families are informed as soon as possible of any new updates.

### End of term

This is a reminder to families that next Friday the school will be finishing at 1:30pm. Please ensure that your child is collected on time. We then return to school on the 5<sup>th</sup> January 2022.

**On behalf of all of the Mayville staff, we would like to wish all of our families a restful, peaceful end of term break. We look forward to seeing you after the holidays.**

Happy holidays!

## RIGHT OF THE WEEK

Article 14 (freedom of thought, belief and religion). Every child has the right to think and believe what they choose and also to practise their religion, as long as they are not stopping other people from enjoying their rights. Governments must respect the rights and responsibilities of parents to guide their child as they grow up.

## WORD OF THE WEEK

Avowal

## THE GREEDIEST CHRISTMAS ELF PANTO – EYFS AND YEAR 1

This will be taking place on Monday, 13 December in the school hall.

## DICK WHITTINGTON PANTO – YEAR 2 – YEAR 6

Parent volunteers are reminded of the dates of the Pantomime trips below, and to bring their NHS Covid passes, or their negative lateral flow test results taken within 48 hours before the trip. Please also remember to wear face masks.

Year 2 – Monday, 13 December

Year 3 – Tuesday, 14 December

Year 4 – Wednesday, 15 December

Years 5-6 – Thursday, 16 December

## WHAT PARENTS NEED TO KNOW ABOUT 'INAPPROPRIATE' CONTENT

"Inappropriate" means different things to different people. What's acceptable for one age group, for example, may be unsuitable for a slightly younger audience. Online, young people can chance upon inappropriate content in various way – from pop-up ads to TikTok videos. The increasingly young age at which children become active in the digital world heightens the risk of them innocently running into something that they find upsetting or frightening. Trusted adults need to be able to help children be aware of what to do if they're exposed to age-inappropriate content. Please see link below:

## EXTRA CURRICULAR CLUBS AND SATURDAY SCHOOL

There will be no after school activities, interventions, sports club, or Saturday school next week. The clubs will resume on week commencing Monday, 10 January 2022.

## MAYVILLE WHATSAPP

The school now has a WhatsApp messaging service to keep parents informed of upcoming activities. Parents are asked to download WhatsApp onto their mobile phones and input our phone number **07542 849560** in order to receive messages from the school. Please note however that this is a **no reply service** and parents are still expected to contact the school office for enquiries and to report lateness and absences.

Our Topic this term in Reception is *Seasons and Celebrations*.

We have been busy learners!

EYFS

First we learnt all about Diwali. We wore our special clothes and learnt how to do a Diwali dance.

Look at my Diwali Dival!

"The teachers turned into witches!"

Next, we were inspired to make potions and explore pumpkins after reading the story *'Room on the Broom'*.

We like exploring recipes in our mud kitchen!

"Mix the leaves and add the glitter to make the potion!"

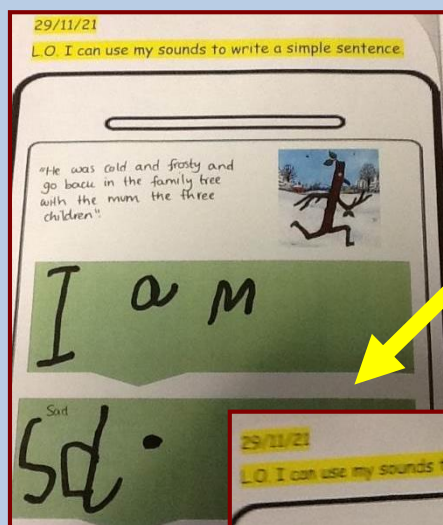

Then we helped 'stickman' to find his family tree!

"Stickman has family and kids!"

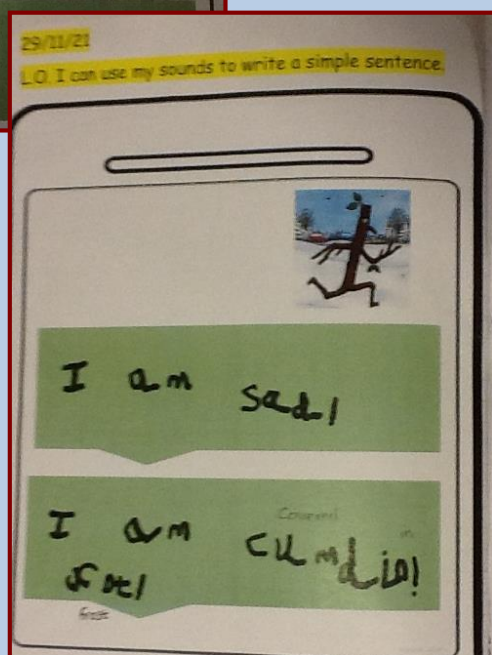

We used natural objects to make repeated patterns.

Look at our writing. We used our sounds to write simple sentences about 'Stickman'.

We even turned sticks and leaves into a paint brush!

In maths we have been subitising and using the language of 'more' & 'less' to compare quantities.
