Headteacher's Message

Dear Parents and Carers,

Welcome back! I hope everyone had a good half term break. For all of our families and staff who celebrated Diwali, I hope you had a lovely Diwali celebration.

This half term we have a series of coffee morning workshops for parents which I'm sure you will find beneficial.

On Monday at 9.00am we have a Reading coffee morning. This workshop is extremely important for parents who may struggle to ensure children are reading at home. Our reading leads will demonstrate how children can be engaged and supported to read at home.

We will also be holding a 'Rights respecting' workshop for all parents on the 28th November at 9.00am. As a school we ensure that we are a Rights respecting' school which means that we consider and value the opinions of every child in our school. We believe that children have a voice and have a right to their opinion. Please come along to learn more about what it means to be a Right respecting school.

Big Climate conversation

In a few weeks our Eco council will be participating in the WF climate conversation. As a school we are proud to support our children's strong desire to make an impact on improving the environment now and for future generations.

The 'Big conversation' is an excellent way to get involved. Our children along with many schools in Waltham Forest will meet to discuss the Waltham Forest action plan on climate change and young people will be given the opportunity to consider what they think should be done to improve the environment.

Parent Consultation

Parent consultation evening will be on Thursday 17th November. All parent evening appointments can be booked on School cloud. School cloud will open in a few days for families to sign up, once sign up you will receive a notification that your appointment has been booked. Any problems logging on or booking appointments please come into Reception and we will be happy to help.

Word of the week

'Successful'

Rights Respecting School

UN Convention

Article 4

Governments must do all they can to make sure every child can enjoy their rights by creating systems and passing laws that promote and protect children's rights

Virtue of the Month

'Determined'

Meaning-having a firm decision and being resolved not to change it.

Song of Month

'Believe'

British Values

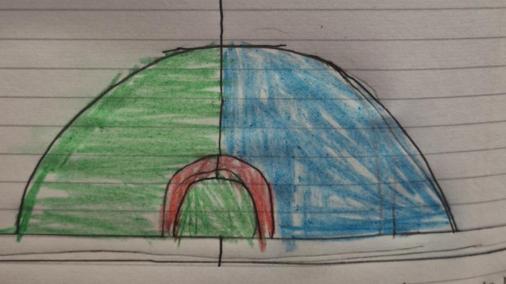

Respect and Tolerance

Year 4 Presentation of Work

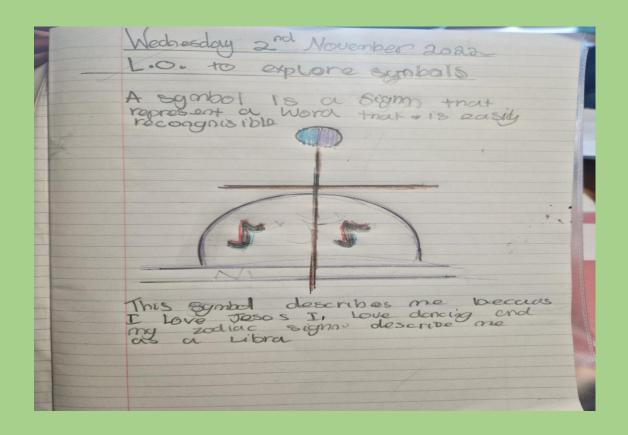

Wednesday 2nd November 2000.

LOSTO explore symbols

A Symbol is a sign/letter/ to replesen Something like IM stands sor mcdonts.

Jamila Gavin Class

The first week back Year 4 have started a new topic in R.E - Christianity. The focus of the topic is the Nativity, just in time for Christmas! The children have started off by looking at the importance of symbols. They learned that the cross is important to Christians and symbolises the crucifixion of Jesus. Their task was to create a symbol that represents themselves as an individual.

In English we have started a new text called "Phileas's Fortune". Year 4 have used this first week to make predictions about their new picture books. The children are very excited to find out more about the story but the suspense still lingers. Year 4 have created mind maps using adjectives and expanded noun phrases to describe what they can see on the first page of the book.

Thank you Ms Vaghela
