## Head Teacher Message

**Dear Parents and Carers,**

Children and staff had a wonderful time celebrating the Coronation with activities, an assembly and the bake sale by our PTA (who raised £77).

While not everyone may support the monarchy, we recognize that diversity of thought and background is one of our many strengths and is something that I love about our school. We make a point of celebrating different cultures through our different events and learn more about our school community and peers through assemblies that focus on Diwali, Eid and Easter to name a few.

### **Year 6 SATS**

I would like to say an extra special 'thank you' to all of our Year 6 Parents for supporting us through SATs this week. The children have been on time each morning ready to do their best. I would also like to thank the Year 6 team and all of our support staff for their tireless work during what can often be a very stressful time.

Now the SATs are over the last few months will be a time for Year 6's to enjoy and make lasting memories with their friends as they prepare to leave for secondary school.

### **Norfolk**

The Year 6 residential is from the 3<sup>rd</sup> July to the 7<sup>th</sup> July. If you have not already paid the £50 deposit please do as soon as possible. The total cost of the trip is £200 the rest is subsidised by the school. If you did not attend the information evening and would like to know more please see Ms Brown who can give you any additional information you may require.

### **Coffee Morning**

All parents are invited to our maths strategy coffee morning on Monday at 9am, both Ms Griffin and Mr Ale will talk you through the key tools that we use in school to support your child with maths. They will also give you a range of practical strategies to support your child at home. Please come along; we are excited to have you with us. For those who may not have the opportunity to join us look out for the virtual link via a QR code.

### **Basketball finals-Congratulations**

Super proud of our Year 5 and 6 basketball team who have made it to the finals in the borough basketball competition. I'm sure our Mayville family would like to wish them well and every success in the competition.

### **PTA**

A Big Thank You to the PTA team for buying football goal nets which is greatly appreciated and Coach Rob and Coach Stevens can't wait to put them up for our future professional footballers

**Word of the week**

‘Compassionate’

**Rights, Respecting school**

UN Convention

Article 14

Every child has a right to think and believe what they choose  
and also to practise their religion as long as they are not  
stopping other people from enjoying their rights.

**Virtue of the Month**

‘Hardworking’

**Song**

‘What about us’

***British Values***

*Rule of law*

The need for rules to make a happy, safe and secure  
environment to live and work

# Showcasing the work of our Reception Class

Jill Murphy and Julia Donaldson classes have been busy learning about numbers for the past few weeks.

We have been busy learning to find the number bonds for 5 and 10.

We found natural objects outside and created a 10 frame with them.

## Reception School trip

We went on an adventure to Hyde Park in April and had a lovely time discovering mini-beasts, animals like us and we even went pond dipping.

We found loads of tadpoles and a few newts.

Lunch time is very  
important too 😊

We were explorers and scientists for the day. Look at all the  
insects we had discovered. We found centipedes and beetles.

The children had the chance to play with –spawns and slimy pond in the classroom after they came back.

We had some eggs hatched into ducklings. We looked after them and took special care to make sure they had a good time in our classroom.

We let them have a play in the water too only once they were strong enough to paddle with their webbed feet.

We learnt about the lifecycles of many different creatures, such as a duck, frog and caterpillar.

# Let's celebrate!!
